PUBLIC SERVICE ANNOUNCEMENT

FOR IMMEDIATE RELEASE

Wildlife Hazard Working Group Meeting – Owen Roberts International Airport

Grand Cayman, Cayman Islands (30 November 2022) The Cayman Islands Airports Authority (CIAA) invites members of the General Public to attend the Annual Meeting of the Hazardous Wildlife Working Group on Monday, 5 December 2022 from 10:00 a.m. – 12:00 p.m. at Owen Roberts International Airport (ORIA).

At this meeting, attendees will learn more about the current measures being used at the Airport to alleviate hazardous wildlife as well as improvements that have been made to make the Airport less attractive to wildlife. The CIAA is aiming to raise awareness not only to its Airport partners but also to the neighboring communities of the Airport.

In 2023, the CIAA will start a year-long wildlife study to determine what wildlife is present at the Airport and their impact on Aircraft operations. Attendees will have a chance to interact with CIAA and Airport personnel and to ask any questions they may have about wildlife control measures and deterrent practices.

If you are a birdwatcher or just want to try something new, join the meeting for further information or to learn more on how you can help be a part of this important initiative.

The meeting will be held in the CIAA Training Room on the second floor of Owen Roberts International Airport on Monday, 5 December 2022 at 10:00 a.m.

All are welcome to attend!
