AIRPORT EXPANSION ADVISORY

Grand Cayman, Cayman Islands (21 October 2016) The Cayman Islands Airports Authority (CIAA) would like to advise the travelling public that a wall partition will be placed in the west side of the Check-In Hall on Monday, 24 October to facilitate ongoing construction on Phase 2 of the Owen Roberts International Airport's expansion and renovation project. The partition will reduce space in the Check-In Hall and during peak travelling times there may be queuing outside of the terminal building.

Passengers are being encouraged to allow extra time for their travel. The CIAA apologizes for any inconvenience caused and would like to thank our passengers for their patience during this time.
