ORIA EXPANSION ADVISORY

Grand Cayman, Cayman Islands (10 March, 2017) The Cayman Islands Airports Authority (CIAA) would like to advise the public that the traffic flow around the Owen Roberts International Airport will be disrupted starting on Monday, 13 March in order to facilitate on-going construction work. As a result, one of the lanes on the main access road will be blocked off by traffic cones. Motorists are being advised to exercise caution around the area. The construction work around the main access road is expected to be completed in two weeks. The CIAA apologizes for any inconvenience caused and would like to thank the public for their patience during this time.
